## ***DRIVEWAY CULVERT POLICY***

In an effort to create a consistent Culvert Policy that would treat all residents fairly, The Town of Gillams has adopted the following guidelines to deal with placement of new culverts:

1. All new developments that require culverts; such as driveways for residential and commercial properties will be the sole responsibility of the property owner.
2. If there is damage caused to a culvert by the Town, the Town will assume responsibility to repair to the culvert.
3. In the event that a culvert needs to be replaced, the property owner is responsible for purchase of the culvert and replacement of asphalt if necessary.
