

ADOPT A ROADWAY PROGRAM TOWN OF GILLAMS

Adopt a roadway is a Community Program that encourages involvement in the care and maintenance of our Town.

The Program is open to Community Groups and residents of all ages who want to take an active role in enhancing the quality of life in our Community.

Volunteers take a section of the roadway to improve safety, the environment, and to keep the Town clean.

The volunteers involvement in the clean up program needs to be a minimum of twice a year – once in the Spring and once in the Fall.

The program will start during clean-up week period, Wednesday, May 08 – Monday, May 13, 2013. (Optional to keep your area clean from litter all year round). During this period you will clean up the area you have adopted. You will be notified of the date in the Fall.

Please help Council and your Community as Gillams begins the first year of this program.

To become a volunteer contact the Town Office @ 783-2800. If the office is closed, leave your name and number and your call will be returned.
